Who Are Freemasons

The Free & Accepted Masons are a fraternal organization, rich in history, of men working towards "making good men better". We are involved in the betterment of one's self and the giving to charity. We live our lives "upon the square".

Masons come from all walks of life. We are teachers, business people, doctors, lawyers, pharmacists, police, firemen, EMT's, barbers and deli-men. Our common purpose is "making good men better".

John Cumming Memorial Golf Outing

We will honor a fallen brother, a man whom all of us will forever remember as the "young fella". John Cumming was an honorable man and a Mason, a father, a World War II veteran, a Masonic Kiltie, a mentor to so many, a presence which we all miss. After John passed away, the members of Durand Lodge wanted to pay tribute to him. That is why we are going to play the game John loved so much and honor his memory by carrying out Masonic work in his honor. He will not be forgotten.
